Mr. Dimosthenis Tremos
Director
Directorate for Development & Support
of Policies on Gender Equality
General Secretariat for Gender Equality
Ministry of Interior
ATHENS

Dear Mr. Tremos,

Thank you for your email letter informing us about the very successful promotion of the film event outside Greece and more specifically about you contacting the WE-gate and making it possible through your efforts to promote the message of the cultural event within the European Union.

The Embassy and I personally are very pleased about all the new possibilities these new platforms are offering to promote Gender Equality. We are very happy that our support and contribution to the event through the participation of Mrs Helen Ahlgren, commissioner and film director, from the Swedish Film Institute was also highly appreciated during the film tribute.

The Embassy has informed further the competent departments at the Swedish Ministry for Foreign Affairs. As always we remain committed to continue working for Gender Equality, in any way suitable and possible and we look very much forward to our continued collaboration with the GSGE.

Yours sincerely,

Charlotte Wrangberg
Ambassador
